MILCON Progress

(Pictures by Greg French, Cox Construction)

- Continuing to complete the HVAC ductwork and fire suppression system for area 12 (SGSL Flight & PAS).

MILCON Progress

- Poured concrete floor for area 10 (east side).
- Finishing construction of the masonry walls for area 12.

MILCON Progress

- Finishing the patient pathway between the clinic and Managed Care.
- Cox to pour the last portion on Mon, April 7th. Should be ready for use by next Wed, April 9th.

What's Next?

- Final concrete pour for the floor for area 10 (Mon, April 7th).
- Start framing the walls for Area 12.
- Finish structural high steel in area 10.
- Finish laying the decking for A-21 (2nd Floor, west side).

PARKING!

- **To all Clinic Staff: we've noticed some you parking in the patient parking lot. If we catch you parking there, we will ask you to move. If we see you there again, we will affix a "reminder" sticker to your windshield. Please, please use the parking areas behind the clinic to better accommodate our patients.**

Thank you for your continued patience with our progress.
